The Republic of Tunisia
SUPPORT FUND FOR JOB CREATION IN THE AGRICULTURAL AND AGRI-FOOD SECTOR IN RURAL SPACE
(P175641)
ENVIRONMENTAL AND SOCIAL COMMITMENT PLAN

1. The International Bank for Reconstruction and Development hereinafter the Bank has agreed to provide financing through a Grant Agreement to Microfinanza for the implementation of the Support for job creation in the Agricultural and Agri-food sector and Rural space Project (the **Project**).
2. Microfinanza will implement material measures and actions so that the Project is implemented in accordance with the World Bank Environmental and Social Standards (**ESSs**). This Environmental and Social Commitment Plan (**ESCP**) sets out a summary of the material measures and actions.
3. Where the ESCP refers to specific plans or other documents, whether they have already been prepared or are to be developed, the ESCP requires compliance with all provisions of such plans or other documents. In particular, the ESCP requires compliance with the provisions set out in the Project's Stakeholder Engagement Plan (SEP), the Environmental and Social Management Framework (ESMF) and Labor Management Procedures (LMP) developed by Microfinanza, and the Environmental and Social Management Plans (ESMPs), to be developed by the beneficiaries of the Matching Grant Program to be prepared before any commencement of works.
4. The table below summarizes the material measures and actions that are required as well as the timing of the material measures and actions. Microfinanza is responsible for compliance with all requirements of the ESCP even when implementation of specific measures and actions is conducted by Microfinanza referenced in 1. above.
5. Implementation of the material measures and actions set out in this ESCP will be monitored and reported to the Bank by the Recipient as required by the ESCP and the conditions of the legal agreement, and the Bank will monitor and assess progress and completion of the material measures and actions throughout implementation of the Project.
6. As agreed by the Bank and Microfinanza, this ESCP may be revised from time to time during Project implementation, to reflect adaptive management of Project changes and unforeseen circumstances or in response to assessment of Project performance conducted under the ESCP itself. In such circumstances, Microfinanza will propose changes to be approved by the Bank and will update the ESCP to reflect such changes. Agreement on changes to the ESCP will be documented through the exchange of letters signed between the Bank and Microfinanza. Microfinanza will promptly disclose the updated ESCP.
7. Where Project changes, unforeseen circumstances, or Project performance results in changes to the risks and impacts during Project implementation, the Recipient shall provide additional funds, if needed, to implement actions and measures to address such risks and impacts.
